

EVENT MANAGEMENT, DINING, AND HOSPITALITY UNIVERSITY FACILITY AGREEMENT FOR PUBLIC AND NONPROFIT CLIENTS

This Agreement (“Agreement”) between the “Client,” named above, and the Board of Trustees of Illinois State University on behalf of its Bone Student Center, Braden Auditorium, and Brown Ballroom (“Venue”), shall commence and expire on the above stated date(s) and times. The parties agree to the following terms and conditions.

University regulations, rates, and policies are subject to changes and additions. Such changes and additions shall be officially posted on the Bone Student Center Event Management website at <https://bonestudentcenter.illinoisstate.edu/scheduling/> and shall constitute actual notice to the Client. Rates are typically reviewed and increased yearly and such changes and additions shall become part of the Agreement. Any attached or updated banquet event order(s) shall become part of the Agreement.

I. CLIENT TYPE AND AUTHORIZED USER INFORMATION

The Venue will have sole discretion to determine the client type. The Client is bound by the procedures and rates as outlined by the client type.

Any persons designated as authorized users above can request services for this event(s) in the name of the Client. As the Client, and by providing the authorized users’ names, the Client is agreeing to pay for any services requested by the Client and/or authorized users associated with the Client’s event(s).

If any of the Client’s contact or authorized user information changes or any details of an event change, the Client must contact their event planner by email or phone at 309-438-2222. The Venue will update the banquet event order(s) to reflect the changes. The new banquet event order(s) must be signed prior to the event date or the Client risks forfeiting their reservation.

Rates are different for Public and Nonprofit clients.

- Public clients do not fall within any other designated client type.
- Nonprofit clients must provide proof of nonprofit status and provide payment from an organizational account.
- Tax-exempt organizations must provide proof of tax-exempt status when booking an event.

II. EVENT DETAILS

Please review the detailed information outlined above and on any subsequent banquet event order(s) to assure that this accurately reflects the event’s requirements. The Venue reserves the right to adjust space(s) based on space utilization and availability. Every effort will be made to notify the Client in advance and to accommodate the Client in alternate location(s).

After signing the initial Agreement, anytime there is a change to an event, the Client must sign and return the banquet event order(s) to the Venue to confirm all final arrangements and pricing. The details on the final banquet event order(s) will be used to invoice the Client.

Prices are typically evaluated annually and any changes to rates generally go into effect July 1st of each year. If applicable, the Client will be sent an updated banquet event order(s) with updated pricing. The Client must sign and return the updated banquet event order(s) to continue to hold their reservation.

The Client needs to provide preliminary details of their event(s) needs (i.e. room layout, guest count, catering menus, equipment needs, and/or any special needs) no later than 15 business days prior to the event.

Major events, as defined by the Venue, and all conferences must provide preliminary details 30 business days prior to the event. Final details must be provided five business days prior to an event. The Venue will do its best to accommodate requests made less than five business days prior to an event but under some circumstances may not be able to fulfill the Client's request and will notify the Client if the request cannot be accommodated.

III. CATERING

All catering within the Bone Student Center and Braden Auditorium must be provided through the Venue. Any group that brings in outside food or beverage will be asked to remove the item(s) immediately. University and State of Illinois Health Code policy and liquor licensing regulations prohibit the removal of catered food or beverage from any event.

- Catering requests must be received a minimum of five business days in advance of an event's date. Any requests made after this date will not be accepted.
- The guaranteed guest count is due five business days prior to an event. The guaranteed guest count cannot be lowered after this date. The Client will be charged for the guaranteed guest count or actual guest count, whichever is greater.
- If the guest count increases less than five business days before an event, the event planner will have to confirm that the Venue can accommodate the increase, and additional fees may apply. This charge is assessed to compensate for overtime scheduling and increased product costs associated with last minute purchases.

IV. FINALIZING EVENT

The Client must meet all requirements by the deadline specified, including, but not limited to, any Event Review Committee requirements, providing any required documentation (i.e. insurance documents for outside entities, signed Agreement), and/or providing applicable payments. If all requirements are not met an event may be cancelled or postponed.

If less than five business days before an event, equipment services, room charges, catering services, and labor are reduced or cancelled, the Client is responsible for 100 percent of the charges before the reduction or cancellation of services. Due to limited resources, requests or changes to an event may not always be accommodated. When they can be accommodated, late requests may incur additional fees.

V. PAYMENT

A. PAYMENT METHOD

Events must be paid in full five business days before the event. All payments made to the Venue are non-refundable. Public Clients can pay by check or credit card. EXHIBIT A

COVID-19 Acknowledgment of Risks and Public Health Mitigation Measures for University Space Reservation Participants

The novel coronavirus, COVID-19, is a highly infectious, life-threatening disease declared by the World Health Organization to be a global pandemic. There is no current vaccine for COVID-19. Individuals with underlying medical conditions or other at-risk populations are especially vulnerable to the virus. COVID-19's highly contagious nature means that exposure, especially through contact with others, can lead to infection. Additionally, individuals who may have been infected with COVID-19 may be asymptomatic for a period of time or may never become symptomatic at all. Because of its highly contagious and sometimes "hidden" nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how a specific individual may have been exposed to the disease.

Illinois State University cannot guarantee a risk-free environment.

The University has put in place recommended public health rules and precautions in order to mitigate the spread of COVID-19, which may be updated at any time. 2. Participants are required to comply with health and safety laws, orders, ordinances, regulations and health and safety guidance adopted by Illinois State University. This guidance will likely evolve as the public health crisis evolves and may include, but is not limited to:
